7	How does it work?	Sidee ayay u shaqeysaa?
8	{{ settings.site_title }} is designed to help educate and prepare people for disasters that occur in their area. Disasters don't strike locations equally so we found it important to give location specific information in order to properly prepare. {{ settings.site_title }} organizes current information and packages it in a way that makes it accessible for any {{ location.area_name }} resident.	{{ settings.site_title }} waxaa loo naqshadeeyay inay ku caawiso barida iyo u diyaarinta dadka masiibooyinka ka dhaco aagooda. Masiibooyinka uma weeraraan goobaha si la mid ah marka waxaan u aragnay mid muhiim ah inaan siino warbixinta gaarka ah ee goobta si markaas si ku haboon loogu diyaargaroobo. {{ settings.site_title }} ayaa diyaariyo warbixin hadeer oo u xiro qaab looga geli karo dadka dagan {{ location.area_name }}.
9	This site uses the most up-to-date hazard risk data available for {{ location.area_name }}. The user of this site is responsible for verifying any particular information with the original data sources. Although these data represent the best current assessment of hazards, they are not predictive of future events. The descriptions of risk and how to prepare for those risks are based on best information from the American Red Cross and the Federal Emergency Management Agency.	Aagaan wuxuu isticmaalaa xogta qataraha halista ugu cusub ee {{ location.area_name }}. Isticmaalaha aagaan ayaa masuul ka ah xaqiijinta warbixin walboo gaar ah ee la socoto illaha xogta asalka. Inkastoo xogtaan ay matashi qiimeyta halisaha hadeer, laguma qiyaasin dhacdooyinka mustaqbalka. Sharaxaadaha halista iyo sida loogu diyaar garoobo halisahaas waxay ku saleysantahay warbixinta ugu wanaagsan ee ka imaaneyso American Red Cross iyo Hay'ada Maamulka Gurmadka Faderaalka.
10	Data used for {{ settings.site_title }} is available for download [here]	Xogta loo isticmaalay {{ settings.site_title }} waxaa loo hli karaa ka dajiso [halkaan]
11	Have questions? [Email the creators] for more information.	Su'aalo ma qabtaa? [I-meel u dir aasaasayaasha] wixii warbixin dheeraad ah.
12	Quick Data Overview	Dulmarka Xogta Dhaqsida ah
